SIR:

Technology Center 2600

Prior to examination on the merits, please amend the above-identified patent
application, as follows:

IN THE SPECIFICATION:

Filed herewith is a substitute specification and marked-up copy of the original
specification.

IN THE CLAIMS:

Please amend claims 1-100 as shown in clean form below. A marked-up copy
the amended claims is attached at the end of this amendment.

1. (Amended) An image forming apparatus, comprising:
a first image carrying member configured to carry at least one image transferred from
at least one original in increasing order of corresponding sheet numbers;
